

ADRIATIC GOLF CLUB CERVIA

Dear Players,

We are sure you are aware of the Italian situation concerning Corona virus. The infection is spreading terribly fast in Italy and the Government has been compelled to take very strong decisions.

Among them, the prohibition of any form of aggregation and social contact, including sport activities until the 3<sup>rd</sup> of April.

The 4<sup>o</sup> edition of our +60 Competition, so successful in the last year, cannot take place for the above reasons and we hope the situation will improve soon so that another week will be found and notified to the players.

So we will do with you, hopefully.

We love playing golf, as you surely do, but health of our friends players is our priority.

  
Fabio Di Pietro  
President

Adriatic Golf Club Cervia
